

# ECONOMY POWERED BY MASTERWALL KNOW-HOW

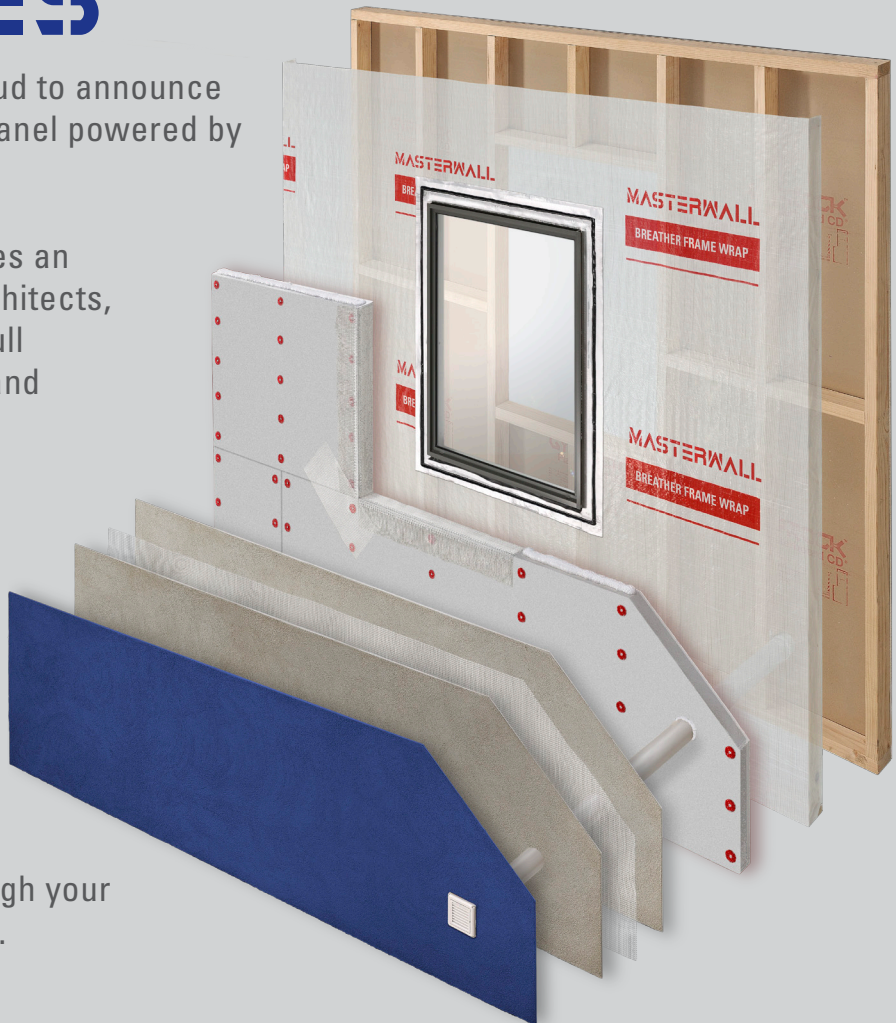

## X-SERIES

MasterWall Australia is proud to announce X-Series, an economical panel powered by MasterWall know-how.

The X-Series system utilises an uncoated panel to give architects, designers and renderers full control of the installation and finishing whilst taking advantage of the superior MasterWall System, and includes:

- codemark certification
- BAL 29
- premium quality materials
- construction details

Order X-Series NOW through your MasterWall representative.
